

# INTERNATIONAL FREIGHT FORWARDING

Logistics Plus® is a leading provider of international freight forwarding services, including multi mode air, ocean, ground, and rail options.

## GLOBAL IMPORT & EXPORT EXPERTISE

With Logistics Plus as your global import and export partner, you can easily manage all parts of your international supply chain. Whether you need air and ocean freight forwarding, customs brokerage, inland ground and rail distribution, project cargo, documentation, regulatory requirements and trade compliance Logistics Plus has you covered.

As a full service international ocean freight forwarder with over 50 offices worldwide, we have years of experience working with our airline partners to make sure you meet your ocean freight deadlines. As a Non Vessel Operating Common Carrier (NVOCC), we have long standing relationships with ocean carriers which allow us to obtain competitive rates for our customers and frequent sailings to and from all major ports of call.

As a full service international air freight forwarder with over 50 offices worldwide, we have years of experience working with our airline partners to make sure you meet your air freight deadlines. Standard or expedited, oversized or overweight, we know the ins and outs of booking freight on aircraft in the most affordable and efficient way. Choose the best air option for your freight from a variety of air transportation services and flights.
