# Configuration and Fulfillment for the Most Reputable Home Food Delivery Service Provider

## THE STORY

When a reputable home food delivery service provider needed a way to quickly and cost-effectively onboard new drivers, they called Logistics Plus to warehouse, configure, and fulfill thousands of welcome kits to drivers across the United States.

## THE HIGHLIGHTS

- Working on a multi-year contract, Logistics Plus provided configuration and fulfillment solutions to one of the most reputable food delivery service providers in the U.S.
- Logistics Plus received the tablets, chargers, and accessories for the client at designated Logistics Plus warehouse locations.
- Logistics Plus fulfillment personnel were trained on how to configure the tablets and phones according to the client's specifications, insert them into a mobile case, and then box them along with standard "new driver" welcome materials.
- Over a four-year timespan, Logistics Plus packaged and fulfilled thousands of "welcome kits" to new drivers across the country while the company experienced tremendous growth.
