

## Supply Chain Success Story!

# Warehousing & Distribution for a Leading Cannabis Packaging Products Company

## THE STORY

A leading cannabis packaging products company needed East Coast and West Coast warehousing and distribution services for its growing packaging products. After weeding out potential partners, Logistics Plus stood out as the highest choice. The Logistics Plus solution enabled orders to be processed and shipped anywhere in the U.S. within 2-3 business days, keeping the client's customers happy and ensuring supply chain efficiency so that profits didn't go up in smoke.

## THE HIGHLIGHTS

- Logistics Plus conducted a network analysis and recommended utilizing three fulfillment centers in CA, TX, and NY.
- Logistics Plus provides inbound logistics, freight forwarding, and customs clearance for the U.S. and Canada.
- Logistics Plus directly supports all warehousing and outbound shipping (LTL, TL, and parcel) from its fulfillment centers to the client's customers.
- Logistics Plus leverages its Business Intelligence and Analytics team to provide load balancing and replenishment strategies to optimize inventory levels at each fulfillment center.
- Over 90% of the client's customers now receive orders within two days.
