

## Supply Chain Success Story!

# Shipping 150 Containers of Frozen Food from Egypt to Brazil

## THE STORY

When a Brazilian food company needed to source a large order of frozen food from Egypt, they called Logistics Plus to handle the complex requirements of shipping 150 containers worth of perishable goods internationally.

## THE HIGHLIGHTS

- A Brazilian food client contacted the Logistics Plus (LP) Brazil team to help with urgent transportation of frozen food originating from Egypt.
- The LP Brazil and Egypt teams quickly collaborated to design the complex logistics framework for shipping perishable goods internationally.
- Logistics Plus coordinated every aspect of the logistics process including warehousing, inventory management, transportation, customs clearance, and final delivery.
- Over the course of the year, Logistics Plus successfully coordinated and transported over 150 containers of frozen food, all of which arrived in perfect condition adhering to strict health and safety standards.
