

WAREHOUSING & FULFILLMENT

Logistics Plus® provides warehousing that's just the right size, in just the right place, for just the right length of time. We can also help with order management and fulfillment.

NORTH AMERICAN WAREHOUSING & DISTRIBUTION

Logistics Plus dedicated warehouse solutions are just the right size, in just the right place, for just the right length of time. You don't pay for space you don't need; we'll find you the perfect fit! Need to store your heavy lift, industrial sized cargo? No problem we've got it covered. Need to warehouse your retail inventory for Fulfillment By Amazon (FBA) or direct to customer fulfillment? As a member of the Amazon® Solutions Provider Network we've got that covered too. Need a comprehensive order and inventory management solution with pick, pack, and ship services? Our Logistics Plus Fulfillment Solutions division can provide everything you need.

We have warehouse facilities strategically located for West Coast, Southwest, Southeast and Northeast distributions. Additionally, we have the leverage and expertise to source additional warehousing space wherever else you need it even around the world! Customers get full visibility to their inventory through the Logistics Plus eWorldPlus™ warehouse management systems (WMS) powered by CargoWise One®. Our LP Fulfillment software provides an all in one solution for instant, real time order processing, inventory reporting and shipment tracking.
